

# EAA Winter Flight Fest 2022 Contest and Fun Fly

Indoor  
Free-Flight

February 11-13, 2022

In the EAA AirVenture Museum

Indoor  
R/C

Fly Free-flight in the 35' Eagle Hangar amidst spectacular full-scale airplanes and fascinating WW II exhibits. Contest for: HLG/CLG, F1D, F1L, LPP and Ministick, plus FAC Events: NoCal Scale, FAC Phantom Flash (5 gm min weight), Dime Scale, GHQ Peanut, Bostonian and AMA P-18. We'll be flying a one design, the Big Smash P-18. (See attached PDF.)

Heavier models fly early, light models later during contest times.

**Please note: This year the public event is being held only on Saturday; our flying schedule will NOT be impacted on Friday afternoon/evening, and Saturday evening, plus Sunday until 2 pm.** During the daytime, on Saturday, enjoy fun flying with participants of the annual EAA Winter Flight Fest. Over 1,000 guests attend this annual modeling showcase. Show off your favorite demonstration models, and help a kid (or parent) get the most out of their free Guillow's glider. Plan on also spending time explaining modeling to attendees.
