Note: Age classifications are different for AMA (Jr, Sr, Open) vs FAI (Jr, Sr).

Alexander Le set Jr AMA F1D record on 4/11/2026 while a junior and Sr AMA F1D record on 4/13/2026 while a senior (birthday is 4/12/2011).

Caleb Finn had set new Jr AMA F1D record that was subsequently surpassed by Alexander Le.

Brett Sanborn's AMA F1D record is higher than FAI record due to FAI World Record technical timing rules.

Bretts AMA F1D record flight had only one timer and two are required for setting a FAI world record.

Hamish Christie set new A-6 record of 11:35 after using his allotted 5 contest flights.
